NOTICE OF INTENTION TO CIRCULATE A RECALL PETITION

TO THE HONORABLE DISTRICT ATTORNEY JILL RAVITCH: Pursuant to Section 11020 California Election Code, the undersigned registered qualified voters of the County of Sonoma, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from office of District Attorney of Sonoma County, California and to demand election of a successor in that office. The grounds for the recall are as follows:

Sonoma County DA Jill Ravitch Has Failed Sonoma County.

Pressing issues of inequality, injustice and fire safety failures have been ignored or inflamed by Ravitch. It is time for her term in elected office to end.

Some of the most egregious failures of her term include:

Ravitch failed to pursue charges against large corporations that harm and pollute our community to hold them accountable.

Ravitch criticized her predecessor for a lack of transparency regarding conviction rates, but she has exhibited the same. She also prevented the disclosure of police body camera recordings despite calls for same by local civil rights groups.

*Incarceration rates for minority communities have been disproportionately higher than for whites under her tenure. From the 2017-2018, **Voice: Report Card on Race** regarding the Sonoma County DA's office: "local advocates as well as the Advisory Committee for the US Commission of Civil Rights have been calling for the creation of efficient oversight mechanisms and the DA has repeatedly turned her back"*

Finally, Ravitch has unethically and repeatedly abused her powers to pursue personal vendettas.

This community must and will recall Ravitch!
